# Your TeleClass “Notes Sheet”

---

**1) The Truth About Sin** - Sin can create a wall that hinders our intimacy with God? We fall, we repent, we come back - Is this simply the nature of mankind? How much can the sin cycle impact our relationship with God?

---

**Notes:**

---

**2) Surrounded By Darkness** - How does a Christian maintain their salvation when we live amongst unsaved people? We are faced with them everywhere we go, at work, and even in our own families.

---

**Notes:**

---

**3) Self-Condernation** - What if we don't feel "saved"? Do our Feelings play a part in our Salvation?

---

**Notes:**

---

**4) Living In The Word** - One of the things that the enemy doesn't want us to do is to read God's Word. Since meditating and praying are ways to develop real intimacy with God, Satan brings things to try to get us off track. But, how can we become consistent with reading the Word of God no matter what is going on in our life: Trials, stress on the job etc.

---

**Notes:**

---

**5 ) Reaching For The Hem** - I feel a strong urge to draw closer to God and find my place in Him now more than ever. But, where do I start?

---

**Notes:**

---

**6) Breaking Through The Wall** - We know what to do: Pray, read the Word and spend time with God. Yet, there is something that keeps us from doing it! The things that I really thought I could do, and have a real desire to do, keep getting harder and more far reached!

How do we break free from the chains hindering our growth and stopping us from spending more time with God?
